National Guard Armory Dedicated; Adjutant General Swears-in Men

With California's top National Guard officers and more than 400 Townshippers on hand, Washington Township dedicated its Armory here last Thursday.

An enthusiastic throng braved bitter weather to hear praise heaped on the local Guardsmen of C Battery, 629th Field Artillery; and to hear music by the Sixth Army Band,, specially invited for the occasion.

"This is the finest armory not built by the State that I have seen," declared Maj. Gen. Earle M. Jones, adjutant general of California, who represented Governor Knight.

"Your Guardsmen are the bulwark of your community," assured Maj. Gen. Curtis D. O'Sullivan, commanding the 49th "Argonaut" Division. "They stand ready to help you in any emergency."

"Men of C Battery should be congratulated, and should receive your gratitude for the work they've performed," said Brig. Gen. Charles F. White, commanding the 49th Division Artillery.

General Jones personally conferred the oath of a Guardsman on four local enlistees. They were Sgt. Oliver Stapp, James Bratton, Joseph A. Abreu, Newark; and Albert J. Hernandez, Alvarado.

The generals noted that C Battery started here with less than 20 men last August in the old icehouse at the end of Alder Avenue, north of Centerville.

Then they cited the men of the unit and their commander, Capt. Joe Beaudin, for working more than 1000 hours to remodel and prepare the building for the ceremonies.

Capt. Beaudin's command now numbers more than 60 men—nearly two-thirds of its authorized strength.

The impressive nighttime ceremonies began with an invocation delivered by Lt. Col. Raymond Copeland, 49th Division chaplain, and native of Irvington. Father Copeland prayed that the armory would be used in peace, but warned aggressors it would be ready in time of war or disaster.

Capt. Beaudin then presented the national and regimental colors to General O'Sullivan, who commands the division of which C Battery is a part. The band, led by W/O Erland Erlandson, accompanied this rite with the traditional "Ruffles and Flourishes."

Then the visiting generals were introduced, as were civilian platform guests: Manuel Hidalgo, president of the Township Chamber of Commerce; Dan Irwin and Romeo Brunelli, Centerville armory committeemen; and Fire Chief Joe Pashote of Newark.

Finally tribute was paid by the battalion commander, Lt. Col. Stuart Nixon of Niles, to Italo Orsetti, owner of the armory site, who cooperated in the remodel-

What More Can A Girl Do?

Myrtle, the rabbit-mascot of Centerville's National Guards, cooperated 100 per cent last week.

Guardsmen whose turn it is to care for Myrtle are required to bring in one recruit per rabbit to get rid of her.

Last Thursday night, during the excitement of dedicating C Battery's armory, Myrtle aided the recruiting campaign in her own way.

She gave birth to five bunnies.

E. C. SULLIVAN, 56, DIES IN NILES

Eugene C. Sullivan, 56, of Niles, a resident of this area since boyhood, passed away Monday at a San Jose hospital.

He was the husband of the late Edith Sullivan; father of Lois Ann and Michael Eugene Sullivan, both of Niles; brother of Mrs. Mary Hunt of San Diego, Emmett Sullivan of Castro Valley, Marcielle Sullivan and Mrs. Ella Jolliff, both of Niles, and Katherine McCasey of Hayward.

He was a native of Gold Hill, Neveda, son of the late Cornelius and Annie Sullivan; and a member of Plumbers Local No. 444, and Neighbors of Woodcraft, Niles.

Funeral services were held today, Thursday, from Berge Mortuary Company, Niles, with mass at Corpus Christi Church. Interment was in Golden Gate National Cemetery, San Bruno.

FREMONT BUSINESS ZONING ASKED FOR SOUTH SIDE

Property-owners of the south side of Fremont Avenue want commercial zoning such as the County Planning Commission is suggesting for the north side.

This was brought out Monday at a meeting of the Centerville Chamber of Commerce.

George Oakes presented a petition signed by himself and other owners asking for the business zoning "as far as Sequoia Avenue." Oakes pointed out it already has been recommended by the chamber's zoning committee.

Chamber President Bill Short turned the issue over to James R. Meyer, newly-appointed chairman of the committee, and urged all Centerville residents to attend the public meeting on zoning March 30 at 8 p.m. in the high school. Short asked and got permission to spend $40 to advertise the meeting, which he characterized as "most important."

Short said next Monday's meeting will be devoted to preparation for the March 30 session.

Second official hearing on protective zoning for Centerville will be held April 12 in Oakland.

WATER DISTRICT ELECTION

INCUMBENTS WIN, CONFAB SET WITH CONWAY-CULLIGAN

Three incumbent directors of the Alameda County Water District were returned to office for four-year terms, unofficial results of a Township-wide election showed late Tuesday.

W. D. Patterson, with 1256 votes; M. J. Bernardo, with 1183; and Jack Prouty, with 975, had a safe lead over the fourth man filing for the three jobs, L. M. Potts, Newark contractor. Potts polled 755.

The incumbents ran ahead of Potts everywhere except Newark. There he tallied 140 votes to Patterson's 138, Bernardo's 106 and Prouty's 95.

Meantime, on Monday, Patterson and Manager Matt Whitfield Jr. met here with A. J. Conway and T. J. Culligan, builders who intend to erect a 1500-home subdivision south of Irvington.

Conway and Culligan object to district policy requiring subdividers to pay entire cost of pipes in their tract. They ask that some $200,000 be rebated by the district over 20 or 25 years.

Refusal of the directors to comply has brought a Conway & Culligan threat to form their own water district, with shares paid by home-buyers.

Whitfield said another meeting is scheduled here Monday with the full directorate.

A protest to the Supervisors by the District this week brought word that the matter can't be considered officially since Conway & Culligan haven't filed their final tract map with the county.

COMMITTEES NAMED

Progressive Program Will Draw Members, Township Chamber Told

Its sights set on wide membership and a progressive program, the reorganized Washington Township Chamber of Commerce Monday night named its first committees and signed up its first duespayers.

Dan Irwin, Centerville, will head a committee whose avowed aim is setting-up a program which will (1) attract members from every business, profession and industry, and (2) finance a campaign to bring new business and industry to the Township.

"What we have to sell will determine what we'll be able to get in dues," Irwin declared.

Initial dues are $5 a year for individuals, firms, and factories. Town chambers of commerce will pay $20.

Later, however, when a program and budget are presented, dues should be scaled to finance the program, Bruce Michael stressed.

Chamber President Manuel Hidalgo welcomed the first three individuals who stepped up after Monday's meeting to plunk down their $5. They were Arthur Belshaw, Centerville insurance agent; and Mr. and Mrs. Robert W. Furrer Sr., 244 S. Main St., Centerville.

Furrer declared "one of the first things this organization needs is a few women," and followed up by paying dues for his wife.

Irwin volunteered to head the program committee, which will lay out plans and present them at the April 26 meeting. He will announce his committeemen later.

Irwin sought and got permission to draw these committeemen from the Township at large, without regard to membership in the chamber.

Maurice B. Marks will head the publicity committee; and Michael the membership committee, which in turn will have subcommittee chairmen in each of the eight local towns. These will be the eight Township Chamber directors.

"When we're done, we should be a council, not only for the chambers of commerce, but for every organization and individual in this Township," Irwin declared.

On motion of Frank Borghi Jr., Decoto, Charles B. Snow of Newark was named to explore an amendment to chamber by-laws which would prevent "packing," by denying any organization more than one vote, no matter how many memberships it might buy.

GM Dream Castle Falls At Irvington

Irvington's straightforward question got a reasonably straight answer this week.

On March 2, the local chamber of commerce took persistent rumors by the horns and wrote General Motors Corporation, asking if it was interested in locating a plant at Irvington.

Tuesday GM replied. A high official thanked the chamber and added in a letter referring to the supposed factory: "To the best of our knowledge, it is rumor."

MISSION GRADE MISHAP IS FATAL

A Walnut Creek man died early Saturday morning of injuries sustained when his car went out of control on Mission grade and crashed into an embankment, two miles north of Mission San Jose.

Dead is Thaddeus Kogut, 46. His wife, Sylvia, 40, is at Merritt hospital where her condition is reported "fair."

Investigating officers reported Kogut's car was traveling west on the highway when it suddenly veered, crossed the road and hit the embankment on the opposite side.

Sheriff's Deputy James Chisholm one of the first to arrive on the scene, administered first aid until help arrived. Doctors said Kogut's jugular vein was severed.

A Washington Township ambulance rushing to the scene broke down three minutes from the site of the accident, according to Mrs. Bernie Vail. This caused a 20-minute delay until an out-of-Township ambulance arrived to transport Kogut and his wife to Fairmont.

Sunday night a headon collison at Alder Avenue and Highway 17, north of Centerville, brought minor injuries to nine out of 11 persons riding in the two cars involved.

Four ambulances were required to carry the victims to Fairmont Hospital. Drivers were E. A. Moya, 24, San Leandro; and P. D. McThorn, Ft. Ord, soldier.

Mrs. Della Noia, 28, of 1047 First St., Niles, was slightly injured by a hitrun driver early Sunday while driving with her husband, Edward, 28, on Hathaway Avenue in Hayward. Driver of the second car, a stolen vehicle, escaped on foot.

Where's the Fire?

Sunday, March 21, Warm Springs, 2:00 p.m., RR Avenue and Highway 17. Shed.

Monday, March 22, all stations, noon, CD siren test.

Tuesday, March 23, Newark, 5:45 a.m., Ash Street, resuscitator call.

ALVARADO VOTE

Residents of Alvarado will ballot Friday, March 26, on whether to increase their annual school tax from 90 cents per $100 to $1.40. Polling place is the local grammar school.

THREE FILE FOR SCHOOL BOARDS

Three new filings for school trusteeships were announced this week, and one more district decided to enlarge its board of trustees.

Centerville's present three trustees voted Friday to increase to five, as provided under new State laws. The election is May 21.

In Newark, Buford Barks, steel mill worker; and Mrs. Lillian Kettman, postal employe, filed for the two additional seats.

In Irvington, Bill Humpert, real-estate salesmen, filed for one of the two extra seats. There were no additional filings yet in Niles or Centerville — other districts which have decided on the increase.

In Decoto, Carlos H. Villescaz filed last week for one of the two extra trusteeships which Decotoans will vote upon May 21. Deadline for filing in all districts is April 21.

Alvarado trustees decided last week their district doesn't qualify for additional directors.

Election of Officers Held By Altar Society

Election of officers was held by the Altar Society of Holy Ghost Church at their March 9 meeting held at the Parish Hall.

Mrs. Palmyra Mosegard, president will be assisted by the following staff of officers: Mrs. Ava Jason, vice-president; Mrs. Mary L. George, secretary; Mrs. Florence De Luce, treasurer; and Mrs. Adeline Santos, publicity.

The group will hold their annual food sale following each mass on Sunday, April 25, with Mrs. Isabelle V. Silva, chairman.

Rev. Vincent Breen expressed his appreciation for the success of the recent card party.

All members are requested to attend the next meeting on April 13 to make final arrangements for Easter and the food sale.

MISSION BURGLARS

Intruders broke into the Texaco Service Station at Mission San Jose Saturday night to steal flashlights, pens and gasoline.

Awards for Girl Scouts In Irvington

Congratulations go to the Irvington Girl Scouts, Troop 20, who received their second-class badges and roller skating badges after a potluck which was held at the Irvington School Cafeteria.

Following the supper, parents and girls went to the Irvington Roller rink where they presented demonstrations and dances on roller skates which the girls had learned under the directions of Mr. and Mrs. Max La Comb of San Leandro, owners of the rink. These demonstrations and dances entitled the girls to their badges.

The following girls received their badges: Jeanette Bass, Wilene Maloney, Joyce Mendoza, Patty Pennington, Treva Bonds, Janice Pennington, Charlene Pereira, Diane Gomes, Rosemary Faria, Linda Hall, Mary Lou Rogers, Georgia Corbell, Jeannine Milatz, and Donna Hadley.

The badges were awarded by Mrs. Norman Hadley, Girl Scout leader.

Special awards went to Cheryle Bonds and Janette Milatz, who were too young to be Scouts but who learned the required material.

Special note of thanks from Girl Scout Troop 20 goes to the following: Wonder Bread and Co., Sunlite Bread and Co., Cloverdale Creamery, Golden State Milk Co., Irvington Packing Co., Irwin's Food Market, and Irvington Food Market, all of whom donated products to make the potluck a success.—By Patsy Pereira.

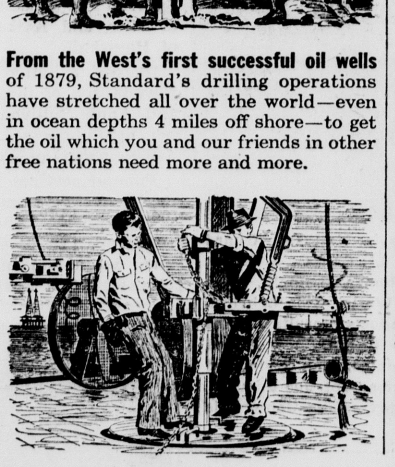
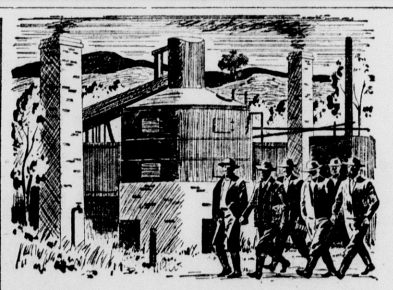
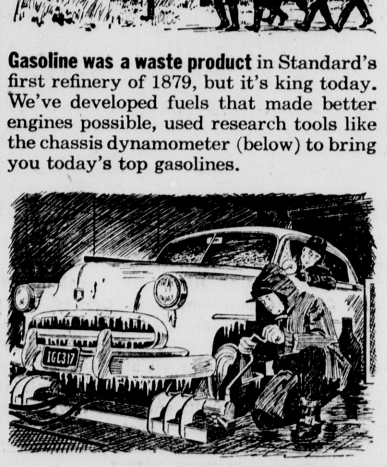
75 years of planning ahead to serve you better
STANDARD OIL COMPANY OF CALIFORNIA

From the West's first successful oil wells of 1879, Standard's drilling operations have stretched all over the world—even in ocean depths 4 miles off shore—to get the oil which you and our friends in other free nations need more and more.



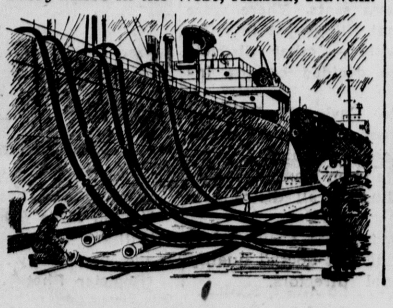


Gasoline was a waste product in Standard's first refinery of 1879, but it's king today. We've developed fuels that made better engines possible, used research tools like the chassis dynamometer (below) to bring you today's top gasolines.

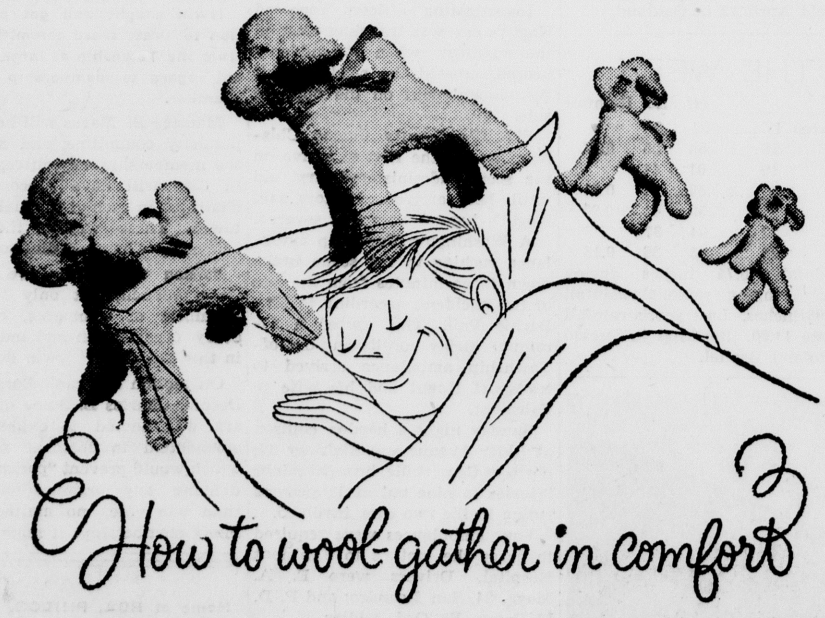


Before horses gave way to horsepower, Standard's wagons of the '80's brought only kerosene, harness oil and axle grease to Western farms. Now our insecticides, weed-killers, fertilizers help increase crop yields and add to your food supply.

First steel tanker in the Pacific, Standard's *SS George Loomis* back in 1888 began helping us put oil where you need it. Today 26 tankers, 3,748 miles of pipe line, thousands of tank trucks serve your oil needs everywhere in the West, Alaska, Hawaii.



World's first gas station was opened by Standard in 1907 at Seattle, Washington. Since then, we've pioneered the car care you enjoy now—windshield cleaning, tire, battery, lubrication, even "Chevron-matic" credit cards to save you time.



How to wool-gather in comfort

You can count sheep in luxurious comfort in your spacious Pullman accommodation aboard an SP streamliner.

We've been wool gathering, too... to give you extra-fine wool blankets to add to your sleeping comfort. You also get clean white sheets every night and a soft, full-length Pullman bed.

But there's more: You have lots of space to relax in. You have all the privacy you want. You have individually-controlled air conditioning. In rooms, you have your own private toilet facilities. You have all the attentive personal service of a top-flight hotel.

And you have the many recreational facilities of the Lounge Car, including games, refreshments and the stimulating conversation of congenial people.

Next time you travel on Southern Pacific, relax in a roomy Pullman accommodation—roomette, bedroom, compartment, drawing room or suite. Also available: Pullman section space (upper and lower berths). You can reserve space in advance.

Freight, too, travels comfortably—Freight gets careful handling on SP, and at low cost. On an average, we move a ton of goods for about 1½ cents a mile. We have more miles of line serving more Western cities and towns than any other railroad. So, for fast, efficient and dependable freight service—whether carloads or l.c.l.—call our nearest agent.

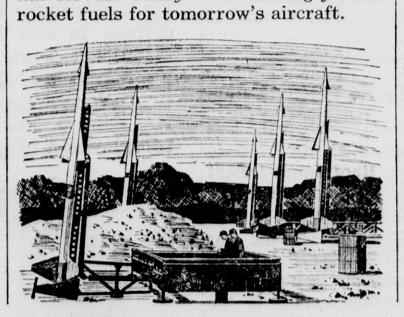
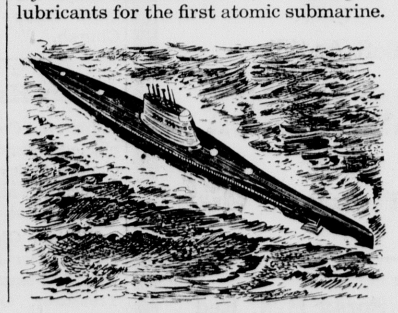
First oil industry 8-hour day was introduced by Standard in 1917. This was a major step in our employee relations programs which include health, pension, insurance benefits and a stock purchase plan—95% of eligible employees own Company stock.

On Lindbergh's trans-Atlantic flight in 1927, we fueled "The Spirit of St. Louis." Now, safer airliners, faster military planes mark aviation progress which Standard research has served. Today we're making jet and rocket fuels for tomorrow's aircraft.

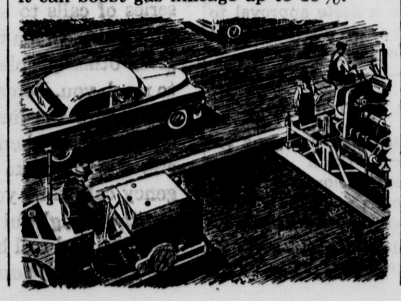


New power for transportation and industry was born in 1935 when Standard's first compounded diesel lubricating oil made high-speed diesel engines a practical reality. Now our scientists are working on lubricants for the first atomic submarine.



Making housework easier, Standard made detergents available for "soapless soaps" in 1946. Later we produced the basic ingredients for wrinkle-proof clothing for men and women, adding again to the more than 1100 products we make from oil.

We pioneered peace-time use of atomic energy. In 1950, using radioactive piston rings, Standard measured engine wear as it occurs, used this research to develop better motor oils, including a new oil so superior it can boost gas mileage up to 15%.



The promise of the past is an even better future

You wear a suit woven from oil, drive on tires born in a refinery, whisk over asphalt super-highways, read about kerosene-powered planes that crack the sound barrier. And you live in a West undreamed of by those 1879'ers who formed the Company from which Standard grew.

What lies ahead? If the past is any clue, oil will be saving you more work and money, improving your transportation and putting more luxury in your living. And Standard will continue to play a big part in this progress as we follow our 75-year tradition of planning ahead to serve you and the nation better.

Baseball Prospects Hopeful At Washington Hi Under New Coach

By STUART NIXON

Rained out of two contests last week, the Huskies from Washington Hi hope to open their 1954 league season today as they play host to the Mountain View Eagles. The Eagles will be defending the crown they captured last year.

The Huskies thus far have only been able to get in five practice contests, winning one and dropping four.

Although the locals were hit hard by graduation, Coach Gene Johnson expects his nine to be in the thick of the S.C.V.A.L.

Johnson is in his first year as head baseball mentor at Washington. He said he has been pleased with the pitching and fielding, but disappointed in lack of punch at the plate.

The Malemute infield is studded with juniors. Only senior in the infield is third-sacker Don Santos, who Johnson rates as one of the finest gloveman in high school ball.

The shortstop patch is being held down by the mighty midget, Ed Fletcher. Johnson is looking for great things from the pint-sized Fletcher who led the Frosh-Soph league in hitting last year.

Juniors Archie Delao and Ed Meneze are battling for the other half of the keystone. Johnson says the one who can do most at the plate will get the job.

At first base is Craig Bellati, who, in the few practice games, has been hitting the ball in workman style.

Backstop duties most likely will be shared between senior Carl Van Euw, and junior Ken Galloway.

Letterman Raul Orozco gets the nod in left field and could help through his pitching, in a pinch.

Frank Velarde, 5-foot, 6-inch senior has nailed down the centerfield spot and is showing promise as a hitter. Velarde has led the Huskies so far, at a .418 clip. He has hit safely in every game.

Right field will be held down by a sophomore, Billy Waters. Waters could help the locals' hitting tremendously, given a break.

The Huskies' mound mainstays Allan Olk and Bob Hird, give the locals a better-than-average pitching staff. Both experienced hurlers, Johnson expects a good account from the two right-handers.

Olk, who has a blazing fast ball and good curve; and Hird, who exercises good control and know-how, have looked good in early season starts.

Johnson expects James Lick, Mountain View and Fremont to be top SCVAL contenders, with Santa Clara as a possible dark horse.

PEDRO TOURNEY AT NATIVE SONS HALL

The annual Native Sons pedro tournament got under way in Native Sons Hall, Centerville, last week, with Wilbert Pine and Al Silveria leading the pack, 5 games won to one lost.

Jack Silva defeated Clyde Rego for Washington Parlor's ping-pong honors.

The pedro matches wind up April 6. Standings:

	W	L	Pts
W. Pine, A. Silveria	5	1	375
L. Havey, C. DiGiulio	4	2	344
V. Rose, L. DiGiulio	3	3	322
W. Senn, J. Lewis	2	4	320
L. Cardoza, C. Rego	2	4	292
M. O'Brien, W. Williams	2	4	271

This Friday, Ronald Schlosser of Warm Springs will represent this district in the Native Sons public speaking contest in Fruitvale.

To Seek Members

A membership committee was authorized Tuesday by the Niles Chamber of Commerce.

President Howard Mitchell named Baine Leask, John Brahmst, Dr. J. B. Enos, Peter D. Juhl and Dr. T. C. Wilson to the committee. Its purpose will be to bring new members to the civic body.

Dr. Enos commented "this chamber isn't doing all it could—many merchants don't attend our meetings." Dr. Wilson replied:

"Some of these big shots only come here when they want something; still everything that's done for the betterment of the community starts in this chamber."

FREEWAY TO WARM SPRINGS IN JULY

A 10-mile, four-lane divided freeway between San Jose and Warm Springs will be opened next July, State highway officials announced this week.

The completion of the Eastshore Freeway section means only 14 miles remain to be built between Mt. Eden and Warm Springs.

The State spent $4,000,000 for construction and $350,000 for rights-of-way between San Jose and the south edge of Washington Township.

B. W. Booker, assistant State highway engineer, says the final link has not been authorized, though plans are now on the drawing boards. He estimated it will cost $1,000,000 a mile, exclusive of rights-of-way. The 15-mile Oakland-Mt. Eden stretch cost $19,800,000 plus $11,000,000 for rights-of-way.

Budgeting of funds for the final link is up to the State Highway Commission.

NILES WOMAN DIES AT AGE OF 99½

Mrs. Mary Emilia Avilla, who would have celebrated her 100th birthday on October 17, died Friday at a Niles rest home.

She had lived here for 47 years.

She is survived by three sons, Joseph S., Anthony and Frank Avilla, all of Niles; 11 grandchildren; and 16 great-grandchildren.

Services were held at the Berge Mortuary Monday with mass at Corpus Christi Church, and interment at Holy Sepulchre Cemetery.

A. Lanzarotti Dies

Arturo Lanzarotti, 64, of Bell Ranch Road, Niles, a native of Italy, died March 19 at an Oakland hospital. He was employed for eleven years at the Alameda Vegetable Produce Company. He has no survivors.

Services were held Wednesday at Berge Mortuary Company, Niles, with mass at Corpus Christi Church. Interment was at Holy Sepulchre Cemetery, Hayward.

Husband Dies

Funeral services were held Tuesday for Dr. Alfred H. Siebert, husband of the former Harriet Ellsworth Siebert of Niles.

Dr. Siebert succumbed Sunday at his home in Alameda. Mrs. Siebert is the daughter of the late E. A. Ellsworth of Niles.

Frank Gnoss Dies

Funeral services were held here Friday for Frank Gnoss, 85, employe of the Zwissig Dairy here for nearly 50 years.

Gnoss died in the San Jose Hospital March 17. He was a native of Switzerland, and has no known relatives here.

Services were under Berge Mortuary, with interment in Holy Sepulchre Cemetery following requim mass at Corpus Christi Church.

Costa Heads Dairymen

Joe S. Costa, Irvington, was elected President of the Alameda County Dairy Herd Improvement Association at the Association's annual meeting in Niles.

William Giger, Pleasanton, was elected Vice-President and Edwin Orloff, Pleasanton, is Secretary-Treasurer. Others elected to the Board of Directors were Louis Marchy, Sr., Louis Marchy, Jr., both of Newark; John Wipfli, Irvington; and Fred Holdener, Jr., Livermore.

Need More Teachers

At least seven new teachers must be hired in Centerville next fall, school trustees learned Friday.

Resignations were received from Mrs. Norma Burns and Mrs. Margaret Duffie, both of whom have been teaching for several years. In addition, Supt. Tom Maloney said five more teachers will be needed.

Maloney will go to Sacramento Tuesday to seek State approval to start plans for the district's third school, in Glenmoor Gardens.

CARD OF THANKS

We wish to thank everyone for their kindness, floral offerings, cards and expressions of sympathy in the recent illness and death of Henry C. McMahan.

MRS. BERTHA McMAHAN AND FAMILY.

J. J. SILVIA DIES IN NEWARK HOME

Joseph J. Silvia, 49, died of a heart attack at his residence in Newark Tuesday morning.

He was the husband of Lillian Silvia, father of Mrs. Lorraine Santos of Hayward and Miss Dolores Ann Silvia of Newark; brother of Mrs. Florence Souza and Mrs. Julia Serpa, both of Salinas, Mrs. Eleanor Vierra of Turlock, Mrs. Clara Silvia of Hayward, Mrs. Lena Fontes of Hollister, and Manuel Rose of Sunnyvale. He also leaves four grandchildren.

Silvia was a native of Watsonville and a member of Teamsters Union Local 70.

Services will be held at 9 a.m. Friday from Chapel of the Palms, with 9:30 a.m. mass at St. Edward's Church. Interment will be at Holy Sepulchre Cemetery, Hayward. Rosary will be said at 8 p.m. tonight at the Chapel.

Ambulance Contract

The county government is negotiating with the Township Ambulance Co. on a revised contract for emergency service here.

Deputy County Clerk Harold Schulze thus advised the Centerville Chamber of Commerce on Monday. The chamber and other civic bodies had written asking retention of local services.

Mrs. Bernie Vail, wife of the ambulance operator, said today she has a contract from the county, "but without the rates filled in." The Vails are seeking $510 a month for their two ambulances, or $360 a month for one. They now receive $300 a month for both.

Mrs. Vail said she will send back the contract, and that she expects "some action" within a week.

ing program, contributing his own funds.

A benediction by Capt. Raymond Rolfe ended the dedication.

Following the outdoor ceremonies, Township guests retired to the interior, which has been painted a sparkling green-an-white, to view 105-mm. howitzers and other armament of the battery. Coffee and doughnuts were served.

Capt. Beaudin credited his men with "enthusiasm and vigor" in remodeling the Armory, since few funds were budgeted for the work.

He and Gen. Jones stressed that young men who join before they are 18½ may complete their military service at home, and that their employers can count on their draft deferment

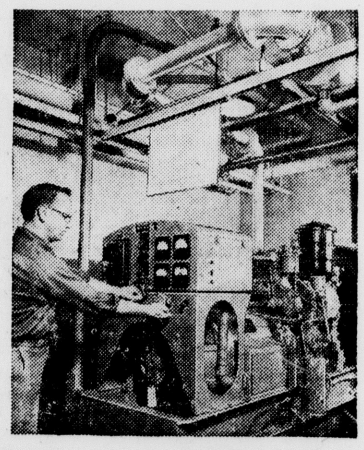
WHAT'S DOING
S. D. Smith, your Telephone Manager in Niles

Emergency power for your telephone



Once in a great while, because of storms or other emergencies, a telephone central office may be cut off from its usual source of electric power. But this doesn't interrupt telephone service. In your central office are special electric generators, run by gasoline or diesel engines. And they take over the job of charging the large storage batteries that supply the current to run the telephone system. Planning ahead for emergencies is another way we make sure you have dependable, low-cost telephone service when you need it. **Pacific Telephone works to make your telephone a bigger value every day.**

Coast-to-coast calls cost only $2.50 plus tax

Just think — you can call clear across the country — for just $2.50 plus tax. This is the day station rate for the first 3 minutes. Calls over shorter distances — to Chicago, Salt Lake City, etc., cost less. Still lower rates apply for all calls on Sundays and after 6 p.m. on weekdays.

How you can enjoy even better telephone service

If yours is a party-line, you will receive even better service by following these simple points: When you have a series of calls to make, take time out between them. This gives other people a chance to reach you. Before you call, make sure the line is clear. And in cases where someone else has to make an emergency call while you're talking, the thoughtful thing is to hang up and call back later. Pacific Telephone.

Centerville School

As part of its study of transportation, the third grade class of Thornton Avenue School, Centerville, enjoyed a trip to the Oakland Airport last Friday morning.

C. V. Wells, of the airport police, guided the class, its teacher, Mrs. Graves, and the bus driver, Clarence George, around the airport, into a DC-3 and into a hangar where smaller planes were being kept. As souvenirs, the class received small plastic models of a TWA Airliner, and cardboard pilots or stewardess' caps to put together and wear.

The teacher also received some material to use in the class' study. Twenty-four children enjoyed the trip and learned many interesting things.

Fred Rogers, former fire chief of Centerville, and present county game warden, spoke to the eighth grade students recently on conservation, observation of game laws, and precautions to be observed in handling firearms.

Anita Hernandez, chairman, Junior Red Cross, for Centerville Elementary School, states "a most successful" enrollment campaign has been completed.

Several classrooms are enrolled 100 per cent in the Junior Red Cross.

The students have been active in making nut cups, favors, and decorations to be used in military hospitals, and in preparing kits for shipment overseas by the Red Cross.

SMITH-PETERS WIN SEWER LINE OKEH

Another 300 houses will be under construction at Newark in the near future, representatives of the Smith-Peters Company said today, following approval of a permit to lay a 12-inch sewer main along Mayhews Landing Road by the Union Sanitary District.

Involved is a 120-acre area north of Newark Grammar School and west of Thornton Avenue.

The new tract will bring the Smith-Peters project in the Newark-Centerville area to over 750 houses.

The Orchard Park near Blacow Road and Thornton Avenue, completed last year, has 163 houses.

The Los Ranchitos development west of the school along Dairy Avenue will have a total of 289 homes when 54 now under construction are completed.

The new program will contain houses similar to those already built, Smith-Peters officials said.

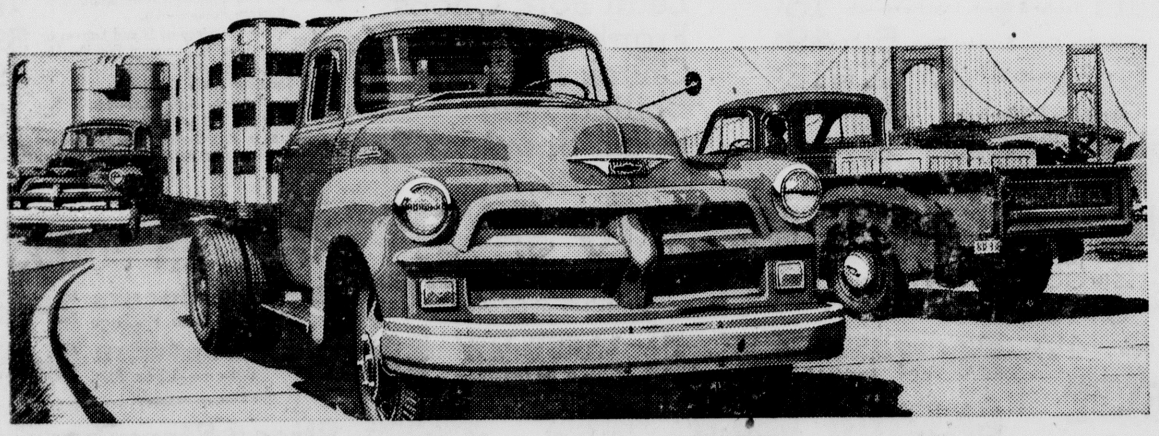
New, roomier bodies!
New, rugged construction!



New Chevrolet Trucks...
do more work per day... more work per dollar!

You save extra trips. That's because of the extra load space you get in the new Advance-Design bodies. New pick-up bodies are deeper, new stake and platform bodies are wider and longer. Also, they're set lower for easier loading.

You save hours on the road. Thanks to new high-compression power, you can maintain faster schedules without driving at higher maximum speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic transmission, you save time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on ½-, ¾- and 1-ton Chevrolet trucks.

You save on operating costs. New power saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 235" and the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

You save with lower upkeep, too. Extra chassis strength saves you money on maintenance. There are heavier axle shafts in two-ton models . . . bigger clutches in light- and heavy-duty models . . . stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay and continue over the miles. Chevrolet is America's lowest-priced line of trucks. It's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

SOMETHING TO SHOUT ABOUT

The annual miracle of spring in our Township orchards prompts us to wonder why there isn't more made of it.

Santa Clara County has been tooting its horn about its blossoms since we can't remember when. Are the almond trees around Campbell showier than the ones at Irvington, or does the tree-borne confetti of Cupertino stir the motorist's heart more than the display at Centerville?

Time was, when Township blossoms got unsolicited notices in the city dailies, with motorcades visiting these fortunate regions. With revival of the Township Chamber of Commerce, couldn't a blossom festival program—complete with advance photos and stories—be started here? We have something to sell: modern living in flower-decked surroundings. Let's use our imaginations and excite our city neighbors into moving here.

SPRSI Communion

The annual communion of SPRSI Councils No. 3, 84 and 105 will be held at St. Joseph's Church in Mission San Jose on March 28 at 8 a.m.

Following the mass breakfast will be served to members of district No. 3 at the Irvington Grammar School.

Last Thursday the regular meeting of Council 105 of Irvington was held and the following were elected for office: Ex-president, Ann Leal; president, Aldina Rego; vice-president, Mary Rose; secretary, Beatrice Enos; treasurer, Anna Faria; mistress of ceremonies, Lucille Day; marshal, Lena Lemos; guard, Marie Williams; directors, Evelyn Peixoto, Minnie Silva, and Mary Bettencourt; pianist, Mabel Gomes.

Delegates to convention in San Jose will be Ann Leal and Beatrice Enos. Substitutes are Mary Bettencourt and Lucille Day.

The social dance held on Shrove Tuesday sponsored by the Activity Club of Council 3-31 and 105 was very successful and Beatrice Enos wishes to thank everyone who participated in any way to make it possible.

Many thanks to Florence Brazil and her dancing group from Warm Springs, who with their songs and folk dances brought back many memories.

Assessor To Speak

Russell C. Horstmann, county assessor, will address the Eden-Washington Farm Center at the Washington Union High School on April 20 at 8 p.m.

A nominating committee will present a slate of officers in April.

Bruce Michael of Warm Springs is chairman, assisted by Manuel Abreu of Centerville and Herbert Young of Hayward.

School's Out and Straight to the Milk

Wise mother! She has the milk ready when her youngsters come in from school. Smart boy! He knows that milk not only tastes swell, but packs a powerful lot of the vitamins and minerals and energy he needs for running around with his friends. No slow poke, he! Straight to the milk and then out he goes, refreshed and ready for a fast game. Help your children grow, too. Order today!

SUZY SEZ...

The Township family who finally got their telephone installed say they might as well be without one. Their teen-agers tie up the instrument almost all their waking hours. Pity their poor party-line companions.

* * * *

If a certain Los Ranchitos family wakes up to find their front porch covered with neat stacks of beer cans some morning, it'll be because their neighbors are sick and tired of the children throwing them over the adjoining fences.

* * * *

If I were to wave my arms and grin foolishly as some models do in the ads, the men in white coats would take me away. Those semaphore poses!

* * * *

There'll be a row yet, if that Niles woman continues to shake her dust mop right onto her neighbors' clean clothes, hanging on the lines.

* * * *

Those Easter chicks and bunnies are all over the Township, but where are the signs that the true meaning of Easter is being taught our children?

* * * *

You'll find the new shoes you buy for the family will stay nice longer if you put on a good coat of polish before the first wearing.

* * * *

These so-called "years ahead" products rather frighten me. I feel I need a degree in electronics to operate them.

* * * *

A Newark mother reports that if you want your children's beds to stay neat for days longer, pin the hem of the top sheet to the blankets, to keep them all together. I've tried it, and what an improvement!

* * * *

After attending a recent fashion show where spring and summer styles were shown, I've reached one conclusion. They won't catch ME in one of those boxy-top suits that resemble maternity smocks!

* * * *

This being Lent, and the time for fasting, several friends hope to regain their girlish figures in time for Easter. All I can say is buy your outfit plenty big, you'll more than likely gain it all back.

* * * *

Don't forget, next Thursday is April First. So better not sugar your coffee until you check to see it isn't salt in the sugar bowl. Those chocolates presented so sweetly might contain cotton.

* * * *

Have you made your Red Cross donation yet?

* * * *

So long. . . . .

Pedro Garcia Dies

Pedro Garcia, 55, a cannery worker and resident of Decoto for twenty years, passed away Sunday at an Oakland hospital.

He was the husband of Antonia, father of Pedro Garcia, and brother of three sisters and one brother in Spain and one brother in Argentina. Garcia was a native of Spain and a member of Alvarado Eagles, and Cannery Workers Union of Hayward.

Services were held Wednesday from Chapel of the Palms, Centerville, with mass at Our Lady of the Holy Rosary Church, Decoto. Interment was at Holy Sepulchre Cemetery, Hayward.

NEWARK NEWS

By PAT BINDER

ETHEL AUCHARD entertained members of her Sunday School class at her home Monday evening with an old-fashioned taffy pull. Joining in the fun were Carlene Hersey, Joan Hoover, Jaquita Lewallen, Lillian Armstrong, Susan Croop, Marsha Johnson, Shirley Meyers, Linda Funston, Beverly Caddy, Mary McCoy, Janice Lewis and Janet Springer.

MR. AND MRS. JOE PASHOTE were in Mt. View last Sunday to visit Joe's brother, Al Pashote.

THOSE San Jose State students you have been seeing around town this week are not playing hooky. Pat Collins, Rosemary Gunn, Diane Rieder, Shyrle Rice, and Silvia Perry are enjoying a weeks between-quarters vacation.

FLO DUGGAN was guest of honor at a stork shower at the home of Roy and Jacqueline Corbin in Cabrillo Park last Saturday. Guests were Mr. and Mrs. Harold Cowling, Mrs. Elizabeth Kennedy, Mrs. Betty Smith, Mrs. June Thompson, Mrs. Anne Hall, Mrs. Jack Binder and Mrs. Barbara Ferreira. Also present was the Corbin's young son Chris.

RAE LATHAM celebrated her twelfth birthday last Saturday with a party in San Francisco. Accompanied by her parents George and Ruth Latham, Miss Ruthe Underwood and Ken Foster, Rae and her guests spent the day at Playland at the Beach. Enjoying rides on the concessions, a tour of the Fun House and lunch at one of the stands were Patricia Faria, Barbara Cardoza, Dolly Dutra, Carol Bernardo, Carol Maciel, Jenny Phippen, Marlene Hernandez, Patsy Dean, Virginia Araujo, Shauna Snowden and Rae's sister Lou.

THE RICKEY CARDOZAS spent last Sunday in Mt. View visiting relatives.

HAPPY BIRTHDAY to Mary Marshall who was two years old last Sunday.

LITTLE Rita Cecelia Goularte, daughter of Tony and Rita Goularte, returned home from Children's Hospital last Tuesday. Rita was placed in a cast to correct a dislocated hip.

NEWARK was well represented among the spectators at the boat races in the Oakland estuary last Sunday. Enjoying the contests were George and Ernie Marshall, the John Lopez', Alvin and June Silva, Mr. and Mrs. E. Wedl, Will and Jerry Raber, Norman Lima, the Tony Maciels, the Bill Nunes and the Joe Maciels.

DAVID THIESSEN underwent a tonsillectomy at the Alameda Hospital last Friday.

DON'T THROW away those old clothes until after Saturday. Wear them to the Hard Times dance to be given by the folk dancing group of the Newark Recreation District at the school auditorium at eight o'clock; everyone will be welcomed.

DAVID and Sara Seifert and son David, Vic and Mary Seifert and Everett and Luella Brown were in Stockton last week end to attend a housewarming at the home of Mr. and Mrs. Scott Bitters.

JILL KETTMAN, daughter of Bud and Lil Kettman, was twelve years old March 18. Jill celebrated her birthday last Sunday with a party which followed the St. Patrick's Day theme. Helping Jill celebrate were Jo Anne Kettman, Cathy Mederios, Virginia Marks, Alice Marks, Virginia Araujo, Janice Lewis, Janet Springer, Joyce Vierra, Bernice Fragulia, Douglas Harris, Paul Allen Reeves, Johnny Jiran, Gary Boyer, Felix Samarano, Clifford Meck, and Jills' brother Jackie.

FRANK and Mary Souza of Los Banos were guests of the Ed Mellos on Monday.

GERRY RABER was hostess at a party in her home March 14. Guests were Barbara Emmett, Carmen Costa, Frances Schroder, Dorothy Schroeder, Ora Raber, Beatha Emmett, Gerry Osgood, Claire Marshall, Velma Scargrouvh, Anna, Belle Brake, Edith Roderick, Ann Osgood, Julia Canjlet and Georgia Gibbs.

Girl Scout Confab

District meeting of Washington Township Adult Girl Scouts will be held Friday, April 2, at 9:30 a.m. at the Youth Center in Newark. Mrs. Norman Hadley of Irvington will preside, and Mrs. J. C. Kennedy, program consultant, will conduct a workshop on Mother's Day projects.

Among the matters to be discussed at the meeting are Girl Scout camps, including the established camp in Mendocino County, and the various day camps. So far, registrations have been received from Newark Brownie Troop No. 128 to attend day camp which is held on the grounds of the Hayward Plunge, and from Girl Scout Troop No. 76 to attend Intermediate Day Camp at Fern Hut in Redwood Regional Park.

Registrations for day camp must be made through troop leaders with Mrs. V. O. Kaehler, Newark.

IN THE 80's

AND 90's before the dawn of the motor age, and when the bicyle represented frivolity's peak, life was safer and accidents fewer. Today the need for accident and health insurance is apparent enough to those who understand statistics on sickness, injuries and accidental death.

Don't put off getting that accident and health insurance.

LEGAL NOTICE

NOTICE OF PROPOSED CHANGE OF LAND USE DISTRICT

Notice is hereby given that the County Planning Commission of Alameda County will hold a public hearing on the proposal to amend Chapter 2 of Title 9 of the Ordinance Code of the County of Alameda relating to zoning in the unincorporated territory of the County of Alameda, to reclassify certain unincorporated territory in Washington Township, County of Alameda, State of California, as shown on that map entitled TENTATIVE ZONING PLAN SECTIONAL DISTRICTS MAPS OF THE FIFTY-FIRST UNIT OF THE ZONING PLAN COUNTY OF ALAMEDA, STATE OF CALIFORNIA AMENDING SECTIONS 10.99, 10.100, 10.101, 10.102, 10.115, 10.116, 10.117, 10.118, 10.131, 10.132 and 10.133, said map being on file in the offices of the County Planning Commission at 121 Thirteenth Street, Oakland, California; and to amend Article 20 by establishing certain "Future Width Lines", and to amend Article 21 by establishing certain "Special Building Lines."

The territory affected by this proposal is the unincorporated area in and about Irvington and Mission San Jose, Washington Township, County of Alameda, State of California; generally described as all that area within the Irvington and Mission San Jose School District boundaries, and also including that portion of the Centerville School District southeast of Mowry Road and Santos Avenue, as shown on said map on file with this Commission.

Said public hearing will be held at the hour of 7:30 p.m. on the 5th day of April, 1954, in the regular meeting room of the Board of Supervisors, Court House, 1225 Fallon Street, Oakland, California.

The effect of the adoption of such proposals will be to specify the use of land and of buildings permitted in certain zoning districts, to establish certain height limits within said districts, to prescribe regulations for the erection, construction, alteration and maintenance of buildings, structures and other improvements in said districts with respect to existing or planned rights of way and for the use thereof and of land and including the requirement that certain permits shall be secured therefor.

JOHN JAY THOMAS,
Secretary of the County Planning Commission of Alameda County.

TOWNSHIP TOPICS

BY HARRIET GITTINGS

This week's question, Do you think Washington Township should fluoridate it's water supply?

It's worth a try, when it's something that would benefit the whole community. **Ervin Willmert, 771 Leone St., Newark.**

Yes, I think they should. **George D. Anderson, 130 Towers Way, Centerville.**

I'd like more information before I could express an opinion. **Mrs. Violet Naas, P. O. Box 1127, Newark.**

I think it would be a good idea. **Mrs. Goldie Hale, P. O. Box 681, Niles.**

Sure, I think it would be worth the slight tax increase. **Mrs. C. G. LeCount, 692 Magnolia, Newark.**

Yes, I do think the water supply should have it added. **Mrs. Edward Pimentel, 243 South Main, Centerville.**

If it isn't in the water now, it should be. **James Ruff, 3550 Market Ave., Newark.**

I think it would be a good thing. **Mrs. Elsie Winters, 390 Riverside, Niles.**

I approve, though I'm not sure it would work in Washington Township. **H. M. Kibby, R.F.D. Box 522, Niles.**
